GENERAL NEWS:

WORKING BEE:

It certainly was a busy weekend with so much going on in our little community and around us- the Lantern Parade, the Italian Festival- busy busy. A huge thank you to those who were able to turn up. The kids had a great time riding, scooting and playing all day without the aid of technology- how amazing was that. I have a picture etched in my head of Quinn sitting on the little wall near the pizza oven when we were finalising our day nearly falling asleep. The sign of a busy day. We were successful in making and erecting 7 garden boxes and planted or remulched them all. About half of the dirt for the gardens was either moved to the new or to the old garden beds. We still have plans for another couple of larger beds to plant some dragon fruit and some smaller ones for the large bed at the front of the school which will be home to some fruit trees. It looks like another working bee coming on! Keep posted.

We are a Crunch n Sip school! Please remember your fruit or vegetable to start the day!

BUNNINGS BBQ: We have a Bunnings BBQ to run on Sunday 8th July. If you can help out please complete the note and return to school next week. The more helpers we can get the better and easier it is to organise. I will see you there.

CHOOK HOLIDAY ROSTER: It is that time of the year when we put a call out for helpers to feed the chooks and collect the eggs etc. If you can help out let Gaye know by filling out the note with days and dates that you can. Gaye will inform everyone when the roster has been completed.

HIGH JUMP AND SHOT PUTT TRIALS: On the first Thursday back next term, the trials for two Athletics events, High Jump and Shot Putt will be held at Blakebrook. These events are for juniors (8,9 and 10 year olds), 11years and seniors. More information will be made available closer to the event.

LAST OPPORTUNITY:

I am taking this opportunity to thank everyone for the help and support you have given me over the many years I have been here at Larnook. Many have gone, many are still here but you all will hold something special in my heart. At yesterday's assembly, I made mention of the fact that Larnook is a special place filled with special kids-great kids. I couldn't think of another place, a better place to finish my teaching career than here. I thank you all for the friendships made, the many great times had together either here or somewhere like Woody Head. Thank you and I look forward to seeing and reading about the great things that will continue to happen at Larnook for many years to come. Take care everyone.

eat well, get active

Eating breakfast helps children learn and establish healthy eating habits early in life.

JUMP ROPE FOR HEART Thank you to all of those that participated in this years JUMP rope for Heart fundraiser. We had a great skip off yesterday with the students showcasing their various skills. It would be appreciated if all sponsorship forms could be returned to school as soon as possible. Thank you.

LIBRARY NEWS Congratulations to the students who received a Bronze and silver borrowing Award this week, you should be very pleased with your reading efforts. A few students are becoming very close to a reward and award for next term.

REMINDER TO RETURN OVERDUE AND CURRENT LIBRARY BOOKS IN THE LAST WEEK OF THE SCHOOL TERM... Could everyone please remember to return their library books to the big blue return box in the Library ASAP so I'm not chasing you up about overdue books. If you can't find a book, please have a good look around for it at home and if you still cannot find it, Parents/Carers will need to write me a note to let me know the book has been lost. Thank you Ms Moy.
